

Boussey Meursault Les Meurgers
Domaine Boussey
France - Burgundy - Meursault

The grapes for Meursault Les Meurgers are coming from the parcel located on the route to Auxey Duresses, in a horseshoe shape ravine. The grapes always reach ripeness quite early in the season. The name of this village comes from the efforts undertaken by man to plant vines in extremely stony soils. Stones that were thrown formed piles, that are called "murger".

Rich and luxurious wine, well balanced and structured in the mouth. Beautiful golden yellow in color with green highlights. It boasts aromas of toasted nuts, ripe fruit and a very delicate oak aroma. On the palate it is dry and mellow with a lingering smooth finish.
