

## Emilio Rojo Ribeiro Blanco

### Vina Mein

### Spain - Galicia - Ribeiro

Emilio Rojo is produced on the hillside facing the morning sun of the Avia Valley. The vineyard has been tirelessly worked for over 30 years and through these efforts it shaped an iconic landscape that is defined by its perfect terraces and artisanal viticulture. Emilio Rojo has been designed to transcend time. A wine made in communion with Nature and attached to the roots of the vines that faithfully express the character of the place. Emilio Rojo is the perfect fusion of the man and the vineyard.

Emilio Rojo is a blend of different local varieties (treixadura, lado, godello, caíño blanco, albariño and torrontés) that resulted in a delicate, but tense and lively wine. A complex nose that opens with time, marked by round, citrus fruit notes and floral nuances. An energetic and elegant feel with great depth that leads to a long, full finish. An honest representation of this unique plot.
