

Abeja Cabernet Sauvignon Columbia Valley

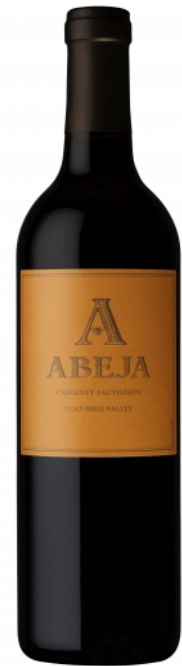

Abeja

United States - Washington - Walla Walla Valley

This is the grape that the winery believes will increasingly be recognized as the icon varietal of Washington State and comprises the majority of their production. This Cabernet is stylish, elegant, and impeccably balanced. Abeja accomplishes this by meticulous viticultural management, utilization of a rare sorting system, gentle handling of the fruit and the wine, customized practices for every lot no matter how small, and carefully selected French oak.

This Cabernet Sauvignon is a wonderful combination of sturdy structure and polished finesse. Balanced tannins and acidity provide the structure needed for excellent aging and will reward those who tuck it away for a bit.

The nose leads off with plum, bright blackberry, and dark bing cherries. A touch of dried blueberry rounds out the fruit profile. Floral notes and cocoa, with nuances of cedar and spice, are sprinkled throughout. All of these characters follow through on the palate and, with a pleasant minerality and continuity, weave a tapestry of complexity and youthful exuberance.

Specifications

Appellation	Walla Walla Valley
