

## 2nd Shift Hibiscus Wit

### 2nd Shift Brewing

#### United States - Missouri - St. Louis

#### Belgian Wit Beer

Here's what I've been goofin' around with for a while. I love Belgian wits on hot summer days (or freezin' your butt off days). Anyway, I took a witbier and threw in a bunch of hibiscus flowers to make it even better. Tart and refreshing, with a hint of tart.

#### The Story Behind Hibiscus Wit

Rosée D' Hibiscus by Brasserie Dieu du Ciel is one of Crider's favorite beers, one that actually inspired him to start brewing. Steve would later bottle this inspiration and label it Hibiscus Wit.
