

Jackie O's Bonneville

Jackie O's

A tasteful ode to Jackie O's' parents and grandparents' station wagons of yesteryear. The sailboats of the road that offered a backseat experience took them all way back. Bonneville is an American style barley wine that was aged in bourbon barrels for 19 months. Like a wood paneled land yacht, Bonneville comfortably seats a family of characteristics: caramel, marmalade, black tea, marzipan, and vanilla.
