

Perennial Pharmacy Porter

Perennial Artisan Ales

United States - Missouri - St. Louis

A German style Porter inspired by tradition and friendship.

This classic favorite was brewed with a base of Munich and Vienna malt, with additions of Caramunich and Carafa for color and depth. Hopped with Magnum + Mandarina Bavaria in the kettle, finally fermented at chilly temperatures with Bock yeast, and Lagered for 6 weeks. Made for our friends at The Pharmacy Burger + Beer Garden in Nashville, TN.
