### Perennial Artisan Ales

#### United States - Missouri - St. Louis

Belgian-style Saison dry-hopped with Mosaic.

Prism is a new, ongoing series we created to reflect classic and experimental hop varietals through the form of dry-hopped saison. Three times a year we'll release cans and draft of a new Prism using a simple grist and a blend of saison yeast strains to create a platform for showcasing a different combination of hops. Perennial Artisan Ales is a small batch craft brewery dedicated to producing unique, premium beers. Our beers are brewed with the experimental, seasoned craft beer drinker in mind.
