

## RJ Rockers Son of a Peach

### RJ Rockers Brewing Company

#### United States - South Carolina - Spartanburg

Angry to the pit, Son Of A Peach is an unfiltered American Wheat Ale brewed with South Carolina grown peaches. Golden in color, the aroma of ripe peaches and a smooth, fluffy, wheat body with a slight tart finish makes bearing another sickly, Southern summer a little easier. Son of a Peach is the best selling beer in the RJ Rockers lineup, and is brewed year-round.

An unfiltered American wheat ale made with real mean peaches.

The only thing missing is the fuzz. Savor the anger.

The beer was elected #1 in the Top10 best craft beers for summer 2014 by Fox News.
