

Begude Bandol La Brulade

Domaine de la Begude

France - Provence - Bandol AOC

"La Brulade" is the name of a select slope located at an altitude of 400 meters overlooking the Mediterranean sea between La Baie d'Amour (the town of La Ciotat) in the South and La Sainte Baume in the North. This is one of the highest parcels in the Bandol appellation.

The wine is only produced in exceptional vintages. This carefully selected blend is made of 95% Mourvedre and 5% Grenache, aged in large French oak barrels for 24 months. The wine shows a deep purple color. It is fresh and fruity on the nose with intense garrigue aromas. Structured, elegant and well-balanced on the palate with strong tannins. Licorice, ripe black fruits, garrigue flavors and some peppery freshness on the finish.
