

BlackBird Dabinett English Style Cider

BlackBird Cider Works

United States - New York - Barker

This is a classic West County English cider. Produced with 14 varieties of mostly English cider apples including Dabinett, Kingston Black, and Somerset Redstreak to name just a few. True to style, it starts with a smokey bouquet and a hint of horse blanket. The taste is full of complex flavors including smoked fruit. Horse blanket notes on the finish make this cider true to style and a rare edition for the Western New York region. LIMITED EDITION.
