

Bressia Profundo

Bodegas Bressia

Argentina - Mendoza - Lujan de Cuyo

Profundo began during the era of “assemblages” in Argentina; wines from various grapes combined in different proportions, achieving a singular, complete wine with great definition.

The Malbec, the Cabernet Sauvignon, Merlot & Syrah come from Lujan de Cuyo vineyards 3,100 feet above sea level. Planted 6,500 plants per hectare.

Intense red color with purple tones. Delicate strawberry, blackberry aromas intertwined with chocolate, tobacco, dulce de leche and vanilla nuances. Harmonious and elegant in the mouth with a long finish.
