

## Chateau Maltus Lalande de Pomerol

### Vignobles Lassagne

#### France - Bordeaux - Lalande de Pomerol

History tells us that the origin of the Chateau Maltus goes back to the Middle Ages, in the time of the crusades. The Order of Malta, well implanted on the land named Lalande de Pomerol, cultivated vines for the first time on the grounds of the Chateau Maltus.

Nicolas Lassagne acquired this parcel (2.5 ha; 6.17 acres) in 2015. The Lalande de Pomerol AOC is 1,100 hectares in size, producing more than 500,000 cases per year.

Beautiful sustained deep purple color. The bouquet is rich, generous, complex and reveals notes of black fruits. The iron-rich soil gives a fat and metallic taste, which many associates with truffles. The palate is round and powerful with some good integrated tannins. The finish is long and structured.
