

2BAR® SPIRITS

2bar Spirits is descended from five generations who ranched their land under the 2bar brand. For more than a century we have stood for quality, independence, and hard work. We mill our grain, distill and age everything ourselves. What you are about to enjoy is honest and true, and we love that.

2bar Bourbon is the first all local made in Seattle bourbon; made entirely grain-to-glass using all Northwest Grains.

About 2bar Straight Bourbon Whiskey:

- 2bar Bourbon is the first all local made in Seattle bourbon; made entirely grain-to-glass using all Northwest Grains. It has a smooth and rich texture at 100 Proof with wonderful butterscotch, vanilla and honey notes with subtle hints of dark chocolate and cherry.
- Bottled at 100 Proof spirit

How we make the bourbon:

- Six grain mash bill, with majority corn, a touch of wheat and four different malted barleys
- Fermented for over two weeks
- Barreled at 118 Proof in 30 gallon barrels for longer than two years
- Mashed, fermented, distilled, aged and bottled onsite at 2bar Spirits distillery in Seattle, WA
