

ZBAR SPIRITS

"This craft bourbon from 2bar has a truly lovely finish... a wonderful addition to any whiskey lover's collection."

- Whiskey Reviewer Magazine

"This is really delicious. And it doesn't taste like 100 proof. This has the drinkable feel of a fine wine. It tastes like an extremely well-established brand, one you want to collect bottles of. I'm really impressed—and will be hoarding my sample size. Don't adulterate this in a drink. Have it neat. And if you disagree, I will happily take it off your hands."
