Golden hue with orangy highlights. Endearing nose of grape, orange peel and a honeyed accent. Mild at point of entry, splendid aromatic intensity, sultana, candied orange, rose petal and refined spice. Sheer pleasure. Keep for special occasions.

SITUATION

Spreads out over the south-east side of the Dentelles de Montmirail hills, in Beaumes de Venise in the southern part of the Rhone valley.

TERROIR

On a poor sandy, hungry and arid soil consisting of tender limestone and gritty zones of sandy mollasse.

IN THE VINEYARD

The vineyards and their terroir are the essence of our wines. This is where everything starts and where we focus our efforts throughout the year. You can't make great wine without great grapes.

The viticulture is essentially done by hand. Five people work full-time in the vineyards. They are supplemented by seasonal employees who work during bunch thinning and the harvest in order to bring out the very best in our vines. Working by hand and the attention each vine gets are fundamental. Pruning, de-budding, trellising, leaf removal and picking are thus carried out by hand with the utmost care.

We prepare the soil by using good old-fashioned ploughing. Organic compost is made from grape marc (the discarded stalks and skins).

We use and abide by countrywide standards for 'sustainable agriculture'.

As a way of protecting the plants, we only use phytosanitary products when necessary and within strict guidelines by staggering the treatments appropriately, to minimise the amount of chemicals used. We prefer to use as much as possible manual and organic techniques. Leaving natural grass cover, removing buds and leaves from the vines, preserving biodiversity around the vineyard: olive, almond and cypress trees, wild rosemary and capers.

VINIFICATION

In the spirit of respecting traditional techniques and the best elements of modern technology, cellar manager Andrew Hall and his winemaker son Romain Hall take family traditions very seriously.

When making our wines, the Muscat de Beaumes de Venise plays a central role and requires great care. After picking the grapes by hand, we press them straightaway to ferment the juice

without skins. We don't add any yeasts and keep the alcoholic fermentation in check by temperature control. Vin Doux Naturel winemaking involves stopping fermentation to preserve the grapes' natural sweetness. During vinification, we watch the vats day and night and add the fortifying spirit just at the right moment. At this stage, the wine's final balance is at stake. REVIEWS AND AWARDS

92/100

"Made from a blend of 75% white and 25% black Muscat à petits grains, this salmon-hued vin doux naturel boasts a spicy, nutty charm. Flavors of dried fig and candied quince are shaded by hazelnut, anise and dried orange peel. It's a delicately textured yet impeccably balanced, exuberant wine, with a long, honeyed finish. Enjoy now-2027"

"The NV Muscat Beaumes de Venise from Domaine des Bernardins shows some aged character in its amber color and notes of caramel and roasted nuts. Those almond notes help offset the sweet orange marmalade flavors, giving it a delicate sense of balance. Drink it over the next year or two."

Joe Czerwinski, Wine Advocate, 30/11/2018

"Robe vermeille. Le côté passerillé se fait sentir. La pointe de Kumquat et une note de zeste d'agrumes lui confèrent beaucoup de classe. Sa palette

aromatique subtile est soulignée par une pointe de menthol que révèle le muscat au vieillissement. La bouche n'est pas assise sur le sucre. Le vin arbore une jolie amplitude. Le confit des fruits jaunes est relayé par de beaux amers en bouche, avec un côté zeste d'agrumes. Un Muscat harmonieux."
