

# BYDAND WINES

## **2016 Sonoma Coast Pinot Noir**

Our goal with this bottling is an elegant, easy-drinking wine with all the qualities of classic Sonoma Coast Pinot Noir. The 2016 vintage was sourced from two dynamic vineyards located in the southern reaches of the Sonoma Coast AVA near the Petaluma Gap, where chilly maritime breezes and volcanic soils produce small yields of vivid, aromatic fruit. These are light and agile red wines with earthy minerality, enticing floral notes and clean, fine-grained tannins.
