COL DES VENTS
2022 CORBIÈRES

91 PTS

JEB DUNNUCK

"Black cherries, leather, scorched earth, and fresh black pepper all define the 2022 Col des Vents Corbières, a fabulously balanced, medium-bodied, supple red that has so much charm and character. Based on 50% Carignan, 30% Grenache, and the rest Syrah, fermented with a touch of whole clusters (Carignan) and aged in tank, drink bottles over the coming 4-6 years. This is well worth your time and money."
