"Ripe black fruits, saddle leather, peppery herbs, and floral notes define the 2021 Malbec Estate, a complex, medium to full-bodied, balanced Malbec that has a round, supple mouthfeel and fine tannins. This charming, layered, satisfying Malbec will evolve nicely for 7-8 years."

"Spiced dark berries, licorice, crushed walnuts and hints of bark. Intense and layered with a medium to full body and sleek, supple tannins. Ripe and succulent. Drink or hold."
