GAVI

2023

**100%
Cortese**

900 pts

JEB DUNNUCK

"The 2023 Gavi is based on 100% Cortese raised in stainless steel. It has a medium gold hue as well as ripe lemon and stone fruits, sappy herbs, and oral notes that carry to a medium-bodied, beautifully textured, balanced white with integrated acidity and plenty of texture."

KYSELA PERE et FILS, LTD.
