

Costières de Pomérols - HB - PICPOUL DE PINET 2023

JEB DUNNUCK

89 pts

"Clean, impeccably made, and delicious, the 2023 Picpoul de Pinet has a bright bouquet of citrus blossoms, minty herbs, and chalky minerality to go with a medium-bodied, clean, vibrant style on the palate. Made from 100% Picpoul brought up all in tank, drink this delicious, easy going white over the coming year or so. It will be a dream with seafood."
