2019 CABERNET SAUVIGNON NAPA VALLEY, CALIFORNIA

“An ideal vintage, essentially perfect! Ample rain through the winter and then a bit more in spring gave plentiful water for strong growth with minimal irrigation needed. The flowering period was a bit cool, but didn’t cause the “shatter” that some growers were worried about. This gave us a healthy but not overabundant crop. The real hallmark of the vintage and key to its great quality is the very moderate weather through the summer and fall with only a handful of 100-degree days. Highs in the 80s and low 90s and cool nights got us to ripeness with plenty of lovely acidity. With no pressure from the weather, we were free to make picking decisions based on optimum maturity in all our vineyard sites.”

TASTING NOTES

“Aromas of carved Spanish cedar and lit tobacco float through the air. On the palate, beautiful and whimsical notes of black twizzlers, rolled tobacco leaves, and earthy fennel fronds give way to a soft transition into the lengthy finish full of velvety melted dark chocolate and salty sour umeboshi plums.”
