## NV Rubus, Prosecco 12/750ml

*Italy - Veneto - Prosecco di Treviso DOC*

### About Rubus

The Rubus Project was created by Fran Kyselá to source & sell incredible wines at value prices. All wines in this international project are hand-selected by Fran Kyselá. Rubus wines are fruit driven, true-to-type values that over deliver - a true representation of quality for the consumer at an excellent price.

### About the Wine

Clean, light, fresh & airy. 100% Glera, Certified Organic + vegan friendly.

In the Prosecco DOC Treviso area, due to the high humidity levels and the frequent rainy days, it is very difficult to produce wine using organic methods. Hundreds of millions of bottles of Prosecco are produced in the area, but only 1% is organic.
