"The 2022 Lirac Cuvée Réservee is also brilliant, with a juicy, layered, incredibly Provençal profile that has so much to love.

Ripe black cherries, leather, peppery garrigue, and spice notes all give way to a medium to full-bodied, round, lush

Southern Rhône that's balanced and has beautiful fruit as well as outstanding length. Based on 50% Grenache, 30%

Syrah, and the balance Cinsault and Mourvèdre, destemmed and brought up

in concrete, drink bottles over the coming 5-7 years."
