

Domaine de Mus Carmenere
Chateau de Mus
France - Languedoc-Roussillon

Intense ruby red color. An expressive nose of balsamic and flower (rose) notes. On the palate it is rich and fine, with flower and spice notes, soft tannins and good length. A nice expression of this variety.

Specifications

Varietals	100% Carmenere
Agricultural Practices	Sustainable
Vinification	Traditional winemaking; complete destemming, maceration in vats for five weeks with heat monitoring. Fermentation by select yeasts (no oak).
