

Fullerton Bennett Vineyard Pinot Noir

Fullerton Wines

United States - Oregon - Willamette Valley

Bennett Vineyard is grown in sedimentary Bellpine soil. A new and exciting site in 2015, this hidden jewel of a vineyard produced a graceful Pinot Noir during the hot 2015 vintage, and it is bottled exclusively in 1.5L and 3L magnums. The quality and value of this wine combine with the large format bottles to create an ideal wine for the upcoming fall and winter holiday seasons. Whether shared at your table or gifted to family or friends, this unique bottling is sure to please.

Aromas of cherry and raspberry fold into layers of rhubarb, clove, and pipe tobacco. The lengthy, mineral-driven palate showcases the captivating elegance of Pinot Noir.
