D.O.C.FRIULI COLLI ORIENTALI

The name AMANTI comes from the fact that, when he was a little boy, Giorgio used to see love stories among the wine pickers start up in the old Cabernet Franc vineyard. The label was inspired from the pictures by Tamara de Lempika, who painted about passionate love.

The color is intense Ruby-red tending towards dark violet.

The aromas are typical with herbal and spicy nuances, intense and penetrating. Notes of blackberry and soft fruits, with well-balanced flavors of spices and wood.

The wine is dry and full-bodied, with tannins that are still velvety and pleasant. The length is long and hamonious.
