Jackie O's Perpetum Jackie O's

Sour wheat ale fermented with Jackie O's house lactobacillus and brettanomyces cultures. Produced via a unique Solera method ensuring consistency and variation over time. No kettles were soured in the making of this beer.

Brewer's Tasting Notes

Appearance: Hazy light straw with white foam Aroma: Preserved citrus, Brettanomyces funk Palate: Lemon and orange peel, bright acidity, tropical Brettanomyces funk
