## Jean Arthaud

## France - Burgundy

Jean Arthaud wines and liqueurs are produced in Southern Burgundy's Charnay-Les-Macon, between the Beaujolais Crus and Pouilly Fuissé. Nearly a century old, the winery & distillery was founded in 1928 by Henri Claudius Trenel (the third generation of Trenels is involved today). Their top quality Beaujolais Crus, Mâconnais wine and Bourgogne fruit liqueurs have garnered a respected reputation throughout France and abroad. Their style is guided by 3 principles: exceptional fruit concentrations, long macerations & limited sugar dosage. The Jean Arthaud liqueurs are both Bourgogne IGP (Indication Géographique Protégée), meaning they can only be produced in Burgundy with fruits grown in Burgundy.
