

Kennedy Point Syrah

Kennedy Point Vineyard

New Zealand - Marlborough

The wine is reminiscent of a northern Rhone wine that is fermented with 2% Viognier, which lifts the aromas of pepper, spice and dark fruit. Ripe dark berry fruit flavors and rounded tannins with just enough crisp acid to balance the palate. This full-bodied wine finishes with fine tannins and structured spicy fruit. It should be aged for 3 to 8 years.

Specifications

Varietals	98%Syrah, 2% Viognier
Agricultural Practices	Organic
Vinification	Fermented with wild yeast to enhance the complexity and unique qualities of the terroir. Aged in French oak for 19 months.
