

Kershaw Syrah Elgin Clonal Selection

Richard Kershaw Wines

South Africa - Western Cape - Cape South Coast - Elgin

Subtle, precise style built on fine tannins that educe harmony, freshness with flavours of black skinned fruit, iodine and ground white peppercorns.

Specifications

Appellation	Cape South Coast - Elgin
Varietals	100% Syrah
Vinification	<p>Grapes were handpicked into small lug baskets and then manually sorted on a conveyor before the stems were removed.</p> <p>The grapes underwent a 3-day maceration before spontaneous fermentation began. A gentle pigeage program was charted and the grapes remained on skins for 17-21 days. The wine was then racked to Burgundian & Rhone barrel under gravity and the remaining pomace basket-pressed. Malolactic then proceeded in barrel followed by a light sulphuring and 17-month maturation.No fining or filtration.</p>
