

## Kynsi Pinot Noir Stone Corral Vineyard Precious Stone

### Kynsi Winery

#### United States - California - Edna Valley

The Stone Corral Vineyard is planted on a southeast slope on the west side of the Edna Valley which has an east/west orientation opening up to the Pacific Ocean from Morro Bay and Pismo Beach. Approximately 120 to 300 feet above sea level, the climate is strongly influenced by the ocean providing ideal temperate growing conditions for Pinot Noir. Early spring warming, mild summer temperatures and late arriving cold fall temperatures and rain provide a long growing season for the development of rich color, concentrated and complex flavors. Soil profiles vary between blocks from sand, sandy loam, loamy sand, pebbly sandy clay loam, all fine angular blocky, including decomposing sandstone layers and numerous fossil rocks. The soils are well drained and marine in origin, resulting in an elegant Pinot Noir with extraordinary attributes.

This gem is a blend of a few precious, select barrels hailing from the finest blocks of Stone Corral Vineyard. Offers blue-toned fruit on the nose and a pretty bouquet of black raspberry, sandstone, marzipan and wild lupine flowers. Opulent, yet delicate on the palate, with velvety layers of cola nut, cherry, dried herbs and pecan sandie cookies.

Wine analysis "" 13.7% Alcohol, .69 TA, 3.5pH

### Specifications

<b>Appellation</b>	Edna Valley
<b>Varietals</b>	100% Pinot Noir
<b>Vinification</b>	Aged in small French oak barrels for 18 months, 40% new
