

Maysara 3 Degrees Pinot Noir

Maysara

United States - Oregon - Willamette Valley

3° (Three Degrees) Pinot Noir is handcrafted by the Momtazi sisters whose differing personalities; combined with elegance, finesse and balance, reflect the dynamic characteristics of the Momtazi Vineyard. The sisters, Tahmiene, Naseem and Hanna, set out to make a pinot that tastes great and has the highest quality fruit all while being affordable for everyone.

Approachable and well structured, aromas of blackberry and dark cherry fruits waft out of the glass. The palate awakens the senses with a bold core of elegant red and black fruits, earthy undertones, juicy acidity, and youthful tannins. This is a standout vintage of the 3° that will delight a range of palates and lend itself to food pairings galore.
