

Chakana Malbec 20 Vueltas al Sol

Chakana

Argentina - Mendoza - Uco Valley

This wine 100% malbec from our vineyard located in Paraje Altamira, this special site has high proportion of gravels covered with calcium carbonate.

It is bright purple in the glass, with a layered nose of fresh sour cherries, wild herbs, and a floral hint over a subtle background of plum jam. On the palate, it is juicy, with a solid structure and chalky tannins that are enhanced by the tertiary flavors derived from aging in German oak barrels. A precise and refreshing wine that evolves in the glass.

Specifications
