

## Quinta da Boeira Olive Oil

### Quinta da Boeira

The Extra Virgin Olive Oil by Quinta de Boeira, produced in the Douro Valley, is bottled in a clay vase decorated with replicas of the 19th century's tiles.

The blend of the Picual and Cobrançosa olive trees produces a fine extra virgin olive oil that is aromatic and unique in quality. The ceramic vessel ensures that the virginity of the olive oil is preserved, protecting it from temperature fluctuations and light.
