

## Passing Time Cabernet Sauvignon Horse Heaven Hills

### Passing Time

#### United States - Washington - Horse Heaven Hills

The Horse Heaven Hills produces some of the most uniquely complex Cabernet Sauvignons in Washington State. Using fruit from two top Cabernet Sauvignon vineyards - Champoux and Discovery - balanced with just the right amount of Merlot and Cabernet Franc, this wine expresses all the concentration, finesse, and Cabernet Sauvignon essence that define this appellation.

This wine has come to embody the style and purpose of Passing Time, featuring classic Cabernet notes of crème de cassis, blackberry, bittersweet chocolate, crushed herbs and graphite. Texture has always been a hallmark of the Horse Heaven Hills Cabernet, and the 2018 vintage shows this beautifully. While approachable in its youth, this wine will reward some patience in the cellar, and age for many years to come.
