

Perennial In Doves Session Dark Lager

Perennial Artisan Ales

United States - Missouri - St. Louis

'In Doves' is a collaboration between Perennial Artisan Ales (St. Louis, MO), Great Raft Brewing (Shreveport, LA), and Bluejacket (Washington, DC).

A full-flavored dark lager of only 3.8% ABV, 'In Doves' is round and malty on the palate, yet crisp and eminently drinkable. Expect bready malt flavors, hints of cocoa, and noble hop-driven notes of herbs, flowers, and spices. 'In Doves' has been traditionally lagered for 6 weeks and is naturally carbonated.
