

2019 Roland Champion Champagne Partelaine Chardonnay Brut Nature

Champagne Roland Champion

France - Champagne

This plot was the first plot that my grandparents, Roland & Jacqueline bought together, just after their wedding, their first common property, not derived from their family heritage!

On the nose, this Champagne reveals subtle aromas of white chocolate, tonka bean and a beautiful minerality. On the palate, it is very fine, with a beautiful vivacity, citrus notes and saline finish, reminiscent of the limestone terroir of Chouilly.
