

## Argot Chardonnay Sonoma County

### Argot Wines

#### United States - California - Sonoma County

Produced from three vineyards in the significantly cool AVA of Bennett Valley — two located on the valley floor; one on the north-facing hillsides overlooking the valley. The cool microclimates, old vines and deep volcanic soils allow their grapes an extended ripening period on the vine, resulting in perfect balance and concentrated flavors. Raised by minimalistic methods — native barrel fermentations in used oak, sur-lie aging and an extended élevage — often associated with the classic Chardonnay winemaking techniques of Meursault, have led to a glorious Chardonnay. Pouring green-tinged into the glass, the nose and palate exude Pome fruits, white flowers and citrus blossoms, all delivered by the gorgeous textures that only barrel-fermented and barrel-raised Chardonnay achieves.
