

Casir dos Santos Reserve Malbec

Casir dos Santos

Argentina - Mendoza - Uco Valley

This Malbec is from Casir dos Santos' Vista Flores vineyard in Tunuyan (Uco Valley).

Deep ruby color with aromas of ripe blackberries and plums and notes of forest, smoke and spice. Complex and structured with firm and elegant tannins. Well balanced acidity. A great reflection of the terroir.

Specifications

| | |
|-------------------------------|--|
| Appellation | Uco Valley |
| Wine Type | Red |
| Varietals | 100% Malbec |
| Age of Vines | 50 years |
| Agricultural Practices | Sustainable |
| Soil type | alluvial & sand |
| Vinification | The grapes from Vista Flores are harvested in three different dates, with approximately 30 days between the first and last harvest. The result is three wines with distinctive and markedly different nuances. 3 weeks skin contact maceration; ML with fine sediments. Aged in French oak (first and second use) for 8 months. The resulting wines are tasted & the final blend is assembled prior to bottling. Aged 6 months in bottle prior to release. |
| Pairings | Great with beef or lamb on the grill. |
