

Gamba Estate Old Vines Zinfandel
Gamba Vineyards and Winery
United States - California - Napa Valley

The original and flagship wine for GAMBA Vineyards and Winery from our family Estate Vineyard in the Russian River Valley planted in 1900.

Vineyard Information: The Gamba Estate Vineyard
Planted in the Russian River Valley on gently rolling terrain above the valley floor in 1900, the Gamba Estate Vineyard is organically maintained and dry farmed, relying on winter rains as its sole source of irrigation. This historic old vine vineyard produces very low yields of outstanding fruit, approximately only one half ton per acre. The low yields provide concentrated flavors, and we strive to capture and bring these intense flavors to your glass. This historic, treasured, and spectacular vineyard site is truly a shining star among the relatively few old vine vineyards left in Sonoma County, and we are honored to share with you its glorious bounty.

Specifications
