

Grace Town Red Blend

Grace Town Wines

United States - California - Lodi

Historically, Lodi vineyards were developed in the fine sandy soils surrounding the community of Lodi. The area is noted for producing uniform and balanced vineyards that deliver fruit-driven wines with a rich silky texture.

Grace Town Red Blend is a harmonious fusion of three grape types: Zinfandel, Merlot & Petite Sirah. Hints of clove and vanilla on the nose combine with a background hint of cinnamon, and the fruity flavors remind you of Christmas. Smooth and fruit-forward.
