

## Jackie O's Off the Beaten Path 3

### Jackie O's

Saison brewed with chamomile, white peppercorn, & citrus pith and aged in oak barrels.

Off The Beaten Path 3 was inspired by the surprising balance found in both mixology and gastronomy. The act of marrying contrasting or unusual ingredients to create a new and exciting experience. A balanced blend of bitter citrus pith, the soft sweetness of chamomile, and an earthy spire from white peppercorns. The tannic and lactic edge make for a dynamic and enjoyable experience.
