

Johann Michel Cornas Cuvee Mere Michel

Domaine Johann Michel

France - Rhone Valley - Cornas AOC

Cuvee Mère Michel was first introduced in 2016 and is not produced every year. This wine is a tribute to Johann Michel's wife, Emmanuelle, and a nod to the French song, *La Mere Michel*. This wine comes from *Selection Massale* (replanting new vineyards with cuttings from exceptional old vines from the same property) cuttings of Serine off the 1947 Yves Cuilleron vineyard at Chavanay. The vineyards are located in the lieu-dit "Les Cotes" at an altitude of 230 meters and benefiting from a southern sun exposure.
