

## Johann Michel Cuvee Grain Noir

Domaine Johann Michel

France - Rhone Valley

The Grain Noir is made from grapes from grapes from right outside of the Cornas appellation, as well as grapes from the young vines of Cornas AOC that was declassified in order to keep the older vines from the Estate flagship cuvées. For the first time the 2021 harvest was vinified and aged in 400-liter oak barrels.

Well structured and round, Cuvee Grain Noir displays red fruit, leather, black cherry, liquorice and black berry aromas. This special cuvee is expressive, deep, rich, silky and juicy - truly delicious.
