

Keermont Amphitheatre Red Blend

Keermont Vineyards

South Africa - Western Cape - Coastal Region - Stellenbosch

Starting with the 2015 vintage, this new cuvée replaces the Keermont Estate Reserve. It is now the winery's flagship red blend. With this blend they aim to bring to life the nuances of both the terroir at Keermont Vineyards and the particularity of each vintage. The name of the cuvée comes from the fact the Estate is set in a naturally-formed amphitheatre in the mountains above Stellenbosch.

Venetian red in color, this wine exudes complex aromas of dusty, ripe strawberry complimented by hints of baked pudding, vanilla, and sweet citrus blossom.
