

Laurent Veyrat Crozes Hermitage l'ivresse des Voleyses

Domaine Laurent Veyrat

France - Rhone Valley - Crozes-Hermitage AOC

Grown in the village of Chanos-Curson the Syrah grapes come from 35- 45 year-old vines planted in soil consisting of limestone, clay with many pebbles.

Beautiful volume with a concentration of complex aromas rich in mineral and floral notes, along with fine and vibrant tannins. Notes of spices as well as ripe fruits that dominate the profile of this 100% Syrah vintage.

Specifications

| | |
|-------------------------------|---|
| Appellation | Crozes-Hermitage AOC |
| Wine Type | Red |
| Varietals | 100% Syrah |
| Age of Vines | Between 35 and 45 years old |
| Agricultural Practices | Organic |
| Soil type | porous granite, clay, limestone and loess |
| Vinification | <p>Vinification takes place in thermo-regulated raw concrete tanks and ovum's using a gravity flow system giving wines a true fruit character without any influence. Only indigenous yeasts are used, and each terroir is vinified separately and assembled into a cuvee. A long, slow, cool, alcoholic fermentation takes place over the course of 28 days during which the cap is punched once or twice daily.</p> <p>Aged in French Oak barrels for 24 months. > Light fining and filtration before bottling.</p> |
| Production | 667 (9-liter cases) |
| Pairings | Lamb chops |
