

## Luis Canas Rioja Hiru 3 Racimos

Bodegas Luis Canas

Spain - Rioja - Rioja

This wine's distinct personality comes from three key factors: the vines' location on slopes and terraces, the exhaustive selection of vines producing a maximum of three bunches naturally, and berries weighing a maximum of 250 grams.

An expressive wine with very ripe concentrated fruit and earthiness, balsamic notes and a spicy bouquet and undertones of blackberry and blueberry preserves coated with creamy touches from the oak and a light, aromatic notes of toffee and cafe au lait. Concentrated on the palate with a rich viscosity, a voluptuous yet not overpowering body and balanced tannins. This is an expressive wine with optimum structure, complexity and balance.

Total acidity: 6.0 gr/l Volatile acidity: 0.50 gr/l PH: 3.47 Free SO2: 25 mg/l Reducing sugars: 1.8 gr/l

### Specifications

<b>Appellation</b>	Rioja
<b>Wine Type</b>	Red
<b>Varietals</b>	100% Tempranillo
<b>Age of Vines</b>	60+ years
<b>Agricultural Practices</b>	Sustainable
<b>Vinification</b>	Grapes are harvested at peak ripeness; double selected & vinified in small group at controlled temperatures. After alcoholic fermentation they are macerated to extract their full potential. The resulting must is then placed in new French and American oak barrels for 24 months to undergo malolactic fermentation. This second fermentation ensures the wine gains in complexity and aromatic intensity, and to optimize its color.
<b>Pairings</b>	Hiru 3 racimos is a complex wine and so is its pairing with food. We must consider two options, either drink it in light sips so that the wine itself is the star of the feast, or serve with solid dishes that can match its vigour. An Iberian pork loin with roasted peppers, steak with mushrooms and plums, wild boar stew or pheasant in port are dishes that blend incredibly with this characterful wine.

### Codes, Weights and Measures

<b>UPC</b>	7 84585 01593 1
<b>Units/Case</b>	6
