

# Maysara Arsheen Pinot Gris

## Maysara

### United States - Oregon - Willamette Valley

#### STORY OF ARSHEEN

Arsheen was an Archeamenian Princess during the 500 B.C. Era. She taught Astronomy and was granted the role of winemaker in the palace due to her impeccable palate and knowledge.

#### BIODYNAMICS

At Maysara Winery and Momtazi Vineyard, they are committed to capturing the true expression of their land and conveying it to you through the premium quality found in every bottle. They practice low-impact, holistic farming methods in their Demeter certified Biodynamic® vineyard and carry this philosophy into the cellar, where their Biodynamic® winemaking practices produce wines with intensity and elegance while maintaining natural harmony between fruit and earth.

#### TASTING NOTES

Generously fragrant aromas leap out of the glass, offering jasmine, spiced pear, green apple, honeydew, and white peach. The palate is crisp, with the green apple carrying over, mandarin, and a steely yet balanced acidity ready to accompany complex dishes to backyard conversations.
