

Navigator Napa Valley Red Blend

Precision Wine Co.

United States - California - Napa Valley

This masterful blend shows the results of what can happen when the right grapes combine in perfect harmony. The wine shows an opaque purple color which extends to the brim of the glass, with a nose reminiscent of bright red cherries and blackberries, licorice and loam. This red wine has firm structured tannins, a long, strong and flavorful finish of vanilla which comes from the French Oak barrels.
