

Pago de los Capellanes Ribera del Duero El Nogal

Pago de los Capellanes

Spain - Castilla y Leon - Ribera del Duero

This is a single vineyard, from the parcel "El Nogal" located in the town of Mambrilla de Castrejon grown at 850 meters above sea level. (2750 feet).

A hillside of tinto fino vines red in the village of Mambrilla, a short distance from the winery. Uninterrupted views of the Duero, the wind stirring the airy branches of the large walnut tree that guards the vineyard. A place with a special gift. Its sandy, stony soils, a feeling of harmony and a special microclimate: everything seems to enhance the talent of its surroundings.

We have been vinifying the evocative grapes of this plot for the past few years to produce an endlessly charming wine. Overwhelming, powerful and exquisite. With a vitalising force.
